Dear Sir

I have just driven from Bayport to see you but find you not at home do will write my business Mrs Andrews wished me to see you, and ask you if you did not want to buy the Walter Hawkins farm of about 20 acres adjoining you on the north I think she will sell it very reasonable or would you take a mortgage on it she is cramped in money matters at present and would like to get some or sell this property she asked me to ask you not to say any thing about this but she thought you perhaps would like to have it, as it joins your property.

Yours

Please write me as soon as possible about this what you will do.  
And oblige

Yours Very Truly
