thus ends another year of life living alone  
my health has been quite good during most of the  
year though not very at the present writing  
though I feel thankful to the Almighty ruler  
of the universe for all favors I have received  
likewise to my kind neighbours for favors  
shown both in sickness & in health  
this is the seventh year I have lived alone or  
nearly so

Jan the 1, 1886

in the evening

December  
20 1852.

This ends the ninth year of lonely life I have had  
very good health most of the time during the past  
year and am thankful for the care that God has  
taken of me during my past life hoping he will  
ever direct me aright in all coming time & time of  
trials that may beset my path way

Jan 1<sup>st</sup> 1888.
